### GOING TO THE MOVIES

My class is going on a field trip next week. **We have to get permission slips signed before we go** . We also need to ask our parents if they will drive to the movie theater. We are going to see a movie that tells a story from a book we read. **It is fun to compare the movie to the book**. I usually like the book better.

We get to the movie early so we can buy popcorn. Some of us buy candy and slushes too. We all enjoy watching the movie. When we return to school we talk about things that were in the movie and in the book. The movie and the book are similar. **We all agree that we like the book better though. Books let you picture the characters any way you want to picture them.**

**ANSWER THE QUESTIONS IN THE BACK.**

**1. What do the students need to do before going to the movies?**

---

**2. What is fun to compare?**

---

**3. What do the student like better, the movies or the book?**

---

**4. What is the setting of the story?**
